

CIE Tutorial and Practical Workshop on LED Lamp and Luminaire Testing to CIE S 025

May 08 – 11, 2017, METAS Bern-Wabern, Switzerland

Travel Information

Bern's central location makes it easy to reach by rail, air or road. However here some important information for those arriving by air:

We recommend to fly in to Zurich

The Airport Bern-Belp right next to Berne offers only a limited number of international connections (Amsterdam, Berlin, London, Vienna,...).

Switzerland's main airport is Zurich. From Zurich-Airport you have direct connections to Bern by train (every 30 min).

Train ticket's can be purchased in advance through the webpage:

<http://www.sbb.ch/en/index.htm>

The tutorial will be held at METAS, Lindenweg 50, 3084 Wabern. Access from the railway main station (Bern Hauptbahnhof) to METAS by tramway line 9 in the direction of "Wabern",

- either to the final station and then continue walking for about 15 minutes in the driving direction of the tram
- or leave the tram at the station "Gurtenbahn" and change to busline 29 in the direction of "Wabern Lindenweg". The bus stops directly at METAS (station "Lindenweg").

IMPORTANT: From your very first overnight stay in a tourist accommodation in the city of Bern, you will receive a Bern Ticket for your whole stay, which lets you travel for free on public transport in zones 100/101 operated by the LIBERO Association. It also includes the famous Gurten funicular. You will receive your Bern Ticket when you check in to your accommodation, and it is only valid if completed in full. Show the ticket to inspectors when requested.
