

CIE Expert Workshop on Research Methods for Human Factors in Lighting

PROGRAMME (in process)

Sunday 12 August, 2018		
VILLUM Window Collection, Maskinvej 4, 2860 Søborg, Denmark		
17.00	Welcome Reception hosted by VELUX A/S	

Monday 13 August, 2018		
Aalborg University Copenhagen (AAU CPH)		
9.00	Registration and coffee	
	1. Planning	
9.30	Critical Analysis of a Research Paper	Robert Davis
10.00	Theories from Different Fields taken into the Lighting Field	Yvonne de Kort
10.30	Ethics	Jennifer Veitch
11.00	Workshop	
12.30	Lunch	
	2. What and How to Measure	
13.30	Choosing and Defining Variables for Lighting Experiments	Kevin Houser
14.00	How to Measure the Visual Stimulus	Myriam Aries
14.30	How do we Measure Daylight	Werner Osterhaus
15.00	Uncertainty	Peter Blattner
15.30	Coffee	
16.00	Workshop	
17.30	Ends	

Tuesday 14 August, 2018		
Aalborg University Copenhagen (AAU CPH)		
9.00	Registration and coffee	
	3. Measuring Perception and Performance in the Lab and Field Studies	
9.30	Internal and External Validity	Jennifer Veitch
10.00	Miss-use of Category Rating Scales (continuing TC 1.80)	Steve Fotios
10.30	Statistics	Jim Uttley
11.00	Workshop	
12.30	Lunch	
	4. Post Experiment	
13.30	What to Report? Details of Experimental Apparatus and Procedure to Enable Repetition	Martine Knoop
14.00	Contents of a Good Paper (according to an editor)	Peter Boyce
14.30	Workshop	
15.00	Workshop	
15.30	Coffee	
16.00	Plenary discussion	
17.30	Ends
