

CIE Expert Workshop “A New Vision of Visibility for Roadway Lighting”

May 24-25, 2018 in Berlin, Germany

WORKSHOP VENUE:

The workshop is arranged by the chair of chair of Lighting Technology at Technische Universität Berlin.

ADDRESS:

Center for data and information intelligence (CINIQ)
Salzufer 6
Entrance via Otto-Dibelius-Strasse
4th floor
10587 Berlin
Germany

HOW TO GET THERE:

Kindly note that there are only a few parking areas. We recommend using public transport.

Underground:

Ernst-Reuter-Platz, Line 2 (red Line), walk for about 10-15min to CINIQ or take the bus 245 to Marchbrücke

Bus:

Marchbrücke, Line 245

S-Bahn:

Tiergarten, Lines S5, S7, S75, walk for about 10min to CINIQ

By car:

Coming from the north - Hamburg/Rostock (A24 autobahn):

At the motorway junction Oranienburg take the A111 to Berlin Zentrum, and at the motorway junction Charlottenburg turn onto the A 100. Leave at the Kaiserdamm exit, and turn left at the end of the slip road to turn onto the Kaiserdamm boulevard (later Bismarckstrasse). Continue over the traffic island into Marchstrasse until Marchbrücke, turn right into Salzufer. CINIQ is on your left after 300metres.

From Hannover (A2) and Leipzig, Nuremberg:

Take the motorway A10 (Berlin Ring) to the Drewitz motorway junction, then the AVUS (A 115) to Berlin-Zentrum. At the Funkturm follow the signs to Wedding, but then take the first exit to Kaiserdamm. Turn left at the end of the slip road to turn onto the Kaiserdamm boulevard (later Bismarckstrasse). Continue over the traffic island into Marchstrasse until Marchbrücke, turn right into Salzufer. CINIQ is on your left after 300 metres.

By train:

At Central station take a regional train or S-Bahn (any line in direction of Charlottenburg, Westkreuz, Potsdam or Spandau) to Tiergarten. From there it is a 10 minute walk to CINIQ at Salzufer 6-8.

Tegel Airport:

The airport is very close to the CINIQ. Take the airport shuttle bus (X9) to Ernst-Reuter Platz (15 minutes) and or take a taxi (10 minutes).

Schönefeld Airport:

This is across the city, so a taxi is expensive unless you can share the costs.

At S-Bahnhof Flughafen Schönefeld take a regional train (RE7, destination Dessau) or S-Bahn (Line 9, destination Pankow, change at Ostkreuz to any train in direction of Zoologischer Garten). Leave the train at Zoologischer Garten. From there you can take a bus (245), or take the U-Bahn (Line 2, destination Ruhleben) one station to Ernst Reuter Platz and walk from there. (Or you can stop a taxi and take a fixed rate short ride).

International Commission on Illumination
Commission Internationale de l'Éclairage
Internationale Beleuchtungskommission

Take a 171 or X7 bus to the underground station Rudow and from there take the Line 7 (destination Rathaus Spandau) to Bismarckstrasse, then change onto the Line 2 (destination Pankow) and travel two stops to Ernst Reuter Platz and walk to CINIQ.

Both options take about 60-90min.

ACCOMODATION:

NOVOTEL BERLIN TIERGARTEN

Straße des 17. Juni 106-108

10623 Berlin
